

AGENCY & SECURITY TRUSTEE SERVICES

WHO WE ARE

Metrics is Australia's largest non-bank corporate lender, an alternative asset manager and independent Agency & Security Trustee service provider.

Our dedicated Agency & Security Trustee services team assists borrowers to manage their multi-lender financing arrangements.

We independently manage all types of bilateral, club and syndicated loan facilities and financing arrangements across a range of industries and currencies.

Our service is supported by market-leading systems and highly secure information distribution solutions.

SMART.

AGILE.

BESPOKE.

SPECIALIST SERVICES

- **Loan closing:** Effectively and efficiently manage the deal closing process
- **Lender substitution:** Manage the substitution of lenders in a facility
- **Multi-currency:** Facilitate multi-currency transaction payments between participants
- **Reporting:** Distribute facility information and reporting to participants
- **Loan administration:** Coordinate borrower requests and lender consents, arrange lender syndicate meetings and manage all facility limits and calculations
- **Trustee:** Act as Security Trustee to hold security on behalf of lenders
- **Secure online platform:** Manage and distribute confidential and sensitive information via our secure online platform

AGENCY & SECURITY TRUSTEE SERVICES

OUR STRENGTHS

- **Independent:** Metrics' Facility Agency business is completely segregated from Metrics' lending business
- **Non-bank provider:** Our core focus is on delivering a responsive, superior service tailored to our clients' needs
- **Experience:** Our Facility Agency team has significant experience managing multi-lender transactions
- **Technology:** First-class lending systems ensuring accurate and timely transaction processing
- **Security:** Client information is kept safe and secure with our market-leading email encryption and information distribution systems
- **Accessible:** Offices located in Sydney, Melbourne and Auckland
