2 Summary of Material Accounting Policies

The principal accounting policies applied in the preparation of these condensed interim financial statements are set out below. These policies have been consistently applied during the reporting period presented, unless otherwise stated.

(a) Basis of Preparation

These interim financial statements have been prepared in accordance with Australian Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

These condensed interim financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these condensed interim financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2024 and any public announcements made in respect of the Fund during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies applied in the condensed interim financial statements are the same as those applied in the Fund's financial report for the year ended 30 June 2024.

The condensed interim financial statements have been prepared on the basis of fair value measurement of assets and liabilities, except where otherwise stated. The condensed interim financial report is presented in Australian dollars, which is the Fund's functional currency.

(b) Material Accounting Policies

Use of Estimates

Management makes estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Estimates and associated assumptions are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

New Accounting Standards and Interpretations

There are no new accounting standards, amendments and interpretations that are expected to have a material impact on the condensed interim financial statements.

(c) Rounding of Amounts

The Fund is an entity of a kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* issued by the Australian Securities and Investments Commission (ASIC) relating to the "rounding off" of amounts in the condensed interim financial statements. Amounts in the interim financial statements have been rounded to the nearest thousand dollars in accordance with that ASIC Corporations Instrument, unless otherwise indicated.

3 Fair Value Measurements

The Fund measures and recognises the fair value of financial assets at fair value through profit and loss (FVTPL) on a recurring basis. The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

The Fund discloses fair value measurements by level using the following fair value hierarchy:

- ▶ Level 1 – quoted prices (unadjusted) in active markets for identical assets or liabilities
- ▶ Level 2 – inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices)
- ▶ Level 3 – inputs for the asset or liability that are not based on observable market data (unobservable inputs)

(i) Fair Value in an Active Market (Level 1)

The fair value of financial assets and liabilities traded in active markets is based on last traded prices at the end of the reporting period without any deduction for estimated future selling costs. For the majority of financial assets and liabilities, information provided by the quoted market independent pricing services is relied upon for valuation.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. An active market is a market in which transactions for the financial asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

(ii) Fair Value in an Inactive or Unquoted Market (Level 2 and Level 3)

The fair value of the Fund's investments in the underlying fund is determined based on the underlying fund's net tangible asset value per unit, which represents the price at which the Fund can redeem its investments or subscribe for additional investments as of the reporting date.

The following table presents the Fund's financial assets and liabilities according to the fair value hierarchy as at 31 December 2024 and 30 June 2024.

31 DECEMBER 2024	LEVEL 1 \$'000	LEVEL 2 \$'000	LEVEL 3 \$'000	TOTAL \$'000

MCP Wholesale Investments Trust	–	2,080,504	–	2,080,504

30 JUNE 2024				
Financial assets at fair value through profit or loss				
MCP Wholesale Investments Trust	–	2,072,467	–	2,072,467

(iii) Transfers Between Levels

The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy as at the end of the reporting year. There were no transfers between the level in the fair value hierarchy for the periods ended 31 December 2024 and 30 June 2024.

(iv) Financial Instruments not Measured at Fair Value

Due to their short-term nature, the carrying amounts of receivables and payables are assumed to approximate fair value.

As a result, the Fund does not have a contractual obligation to pay distributions to unitholders. Therefore, the net assets attributable to unitholders of the Fund meet the criteria set out under AASB 132 and are classified as equity.

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

Independent Auditor's Review Report

Independent Auditor's Review Report

To the Unitholders of Metrics Master Income Trust

Conclusion

We have reviewed the accompanying **Condensed Interim Financial Statements** of Metrics Master Income Trust (the Fund).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Condensed Interim Financial Statements of the Fund do not comply with the *Corporations Act 2001*, including:

- giving a true and fair view of the Fund's financial position as at 31 December 2024 and of its performance for the **Interim Period** ended on that date; and
- complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

The **Condensed Interim Financial Statements** comprise:

- Condensed interim statement of financial position as at 31 December 2024;
- Condensed interim statement of profit or loss and other comprehensive income;
- Condensed interim statement of changes in equity and Condensed interim statement of cash flows for the Interim Period ended on that date;
- Notes 1 to 12 including selected explanatory notes; and
- The Directors' Declaration.

The **Interim Period** is the 6 months ended on 31 December 2024.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Condensed Interim Financial Statements* section of our report.

We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of the Directors for the Condensed Interim Financial Statements

The Directors of The Trust Company (RE Services) Limited (the Responsible Entity) are responsible for:

- the preparation of the Condensed Interim Financial Statements that give a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*; and
- such internal control as the Directors determine is necessary to enable the preparation of the Condensed Interim Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Condensed Interim Financial Statements

Our responsibility is to express a conclusion on the Condensed Interim Financial Statements based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Condensed Interim Financial Statements do not comply with the *Corporations Act 2001* including giving a true and fair view of the Fund financial position as at 31 December 2024 and its performance for the Interim Period ended on that date, and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a Condensed Interim Period Financial Statements consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
